Dear Ms. Dubitsky:

Reference is made to your offer under solicitation DAAE20-00-R-0172 for 35 each, Circuit Card Assembly, Part Number 9376233-2 with a 100 percent option.

In accordance with Federal Acquisition Regulation (FAR) 15.307, you are hereby afforded the opportunity to submit a final proposal revision or to confirm your proposal as initially submitted. The following is required:

1. Confirmation or revision of your proposed price for Contract Line Items 0001AB and 0001AC.
2. Confirmation or revision of your proposed price for the 100 percent option quantity.
3. The solicitation does not permit a separate line item cost for Contract Line Item 0001AA, First Article Test Report. All costs associated with First Article Testing must be included in your unit price for Contract Line Item 0001AB Production Quantity with First Article.
4. The proposal confirmation or revision MUST be signed by an official in your company who is authorized to bind the firm contractually.

Your final proposal revision, or confirmation of your initial proposal must be in writing. It can be scanned and emailed to: [hallj@tacom.army.mil](mailto:hallj@tacom.army.mil), or it can be faxed to (309) 782-2698, Attention Janet Hall.

The government intends to make an award without obtaining any further revisions. Your revision or confirmation of proposal must be received no later than November 8, 2000 in order for your firm to receive further consideration.

The point of contact is Ms. Janet Hall, (309) 782-1313

Sincerely,

A handwritten signature in black ink, appearing to read "D. Elliott", written over a horizontal line.

Dave L. Elliott  
Contracting Officer
